Dear Valued Client Departments

### **g-FleeT MANAGEMENT WEBSITE DEVELOPMENTS**

In an effort to modernize how g-FleeT Management, Entity, interacts and connects with its partners in building improved communication and access to its services, the Entity is pleased to announce the recent website developments with exciting additional functionalities to enhance the system performance, user experience, and overall efficiency.

The improved website will go live using the new Uniform Resource Locator (URL) <http://www.qfleet.gauteng.gov.za/> on Tuesday, 1 April 2025, to meet the modern standards of functionality, accessibility, online presence, and better Search Engine Optimization (SEO). The current URL, <http://www.qfleet.gov.za/>, is outdated, and it will be phased out immediately when the new site goes live.

The site offers key features such as the new look and feel as well as functionalities such as the customer relations management system, enquiries email address ([qfleetenquiries@gauteng.gov.za](mailto:qfleetenquiries@gauteng.gov.za)), social media links, multimedia, announcements, latest news, and newsletters, among others. These new features were introduced to improve information exchange and customer engagement.
