

## Your Premier Choice for Fleet Solutions

*Are you in search of efficient, reliable, and cost-effective fleet management services? Look no further.*

g-Fleet Management specializes in providing top-notch vehicle leasing and fleet management services to government departments, state-owned enterprises, and public entities. With a dedicated commitment to keeping government service delivery on the move, we offer two main product offerings:

### Full Maintenance Lease (Long-Term Lease)

*Our comprehensive Full Maintenance Lease (FML) solution incorporates vehicle acquisition, maintenance, replacement, and disposal. The FML service offers you:*

- Flexible Vehicle Acquisition: Tailored to your specific needs.
- Diverse Vehicle Selection: Choose from a wide range of vehicle models available on the RT57 Contract.
- Long-term Lease Options: Ranging from 12 to 36 months or 100,000 km to suit your requirements.
- Fuel Cards: Ensuring smooth fuel management.
- Vehicle Licensing and Registration: We handle the paperwork and renewals.
- Traffic Fines Management: Keeping your fleet compliant.
- Comprehensive Vehicle Tracking: Real-time tracking for effective management of your fleet.
- Full Maintenance and Repairs Service: Minimizing downtime and costs.
- Accident and Loss Management: Handling unexpected situations with care.
- 24/7 Roadside Assistance: Ensuring your fleet stays on the road.
- Fleet Information System: An online asset management system for streamlined operations.
- Vehicle Disposal: Effortlessly transition your fleet when necessary.
