

Making your fleet our business

g-Fleet Management is a trading

entity of the Gauteng Department of Roads and Transport and provides vehicle leasing and fleet management services to government departments, state-owned enterprises and entities. g-Fleet offers a full range of products and services to keep government service delivery on the move.

FULL MAINTENANCE LEASE

Our primary focus is providing fleet maintenance on a Full Maintenance Lease (FML) which incorporates a comprehensive fleet management service.

We offer our clients fast, integrated and efficient solutions for the acquisition of their preferred fleet. This solution includes vehicle acquisition, maintenance, replacement and disposal. The FML service offers a comprehensive solution:

- Flexibility on vehicle acquisition, chosen from a list of various vehicle models
- Long-term vehicle lease contract ranging from 12 to 36 months or 100 000 km, depending on the client needs
- Fuel card service
- Vehicle licensing, registration and license renewals
- Traffic fines management

- e-Tolls service
- Comprehensive vehicle tracking service
- Full maintenance and repairs service, incorporated into the monthly costs
- Accident and loss management
- 24/7 Roadside assistance and towing service
- Fleet Information System (online asset management system)
- Vehicle disposal

FLEET RENTAL SERVICES

The shortest way to optimise your fleet solution. Industry competitive pricing is offered on vehicle rentals in three categories:

VIP Self Drive

A luxury car hire service, consisting of a variety of medium to large luxury sedans and SUVs.

VIP Chauffeur Drive
